Re: Case No. 2006-00173

Dear Beth:

There has been some confusion over the filings made by Christian County Water District in Case Nos. 2006-00173 and 2005-00460. The 2006-00173 case involves the proposal by the District to increase its rates to reflect a wholesale water cost increase from the city of Hopkinsville. The information filed with Case No. 2005-00460 mistakenly included the PWA calculation for that increase. Case 2005-00460 should include only the District's proposal to refund a wholesale water adjustment, also related to service from the city of Hopkinsville.

If additional information is needed, please contact me.

Very truly yours,

John N. Hughes

Attorney for Christian  
County Water District
